>>> NON-REBREATHER MASK

Non-rebreathing mask features a check valve that prevents rebreathing. An elongated shape helps the mask to fit tightly under the chin, hugging the contours of most face sizes. Made of soft, clear vinyl to provide excellent visibility while maximizing patient comfort. Includes reservoir bag and 7 feet of tubing. 50pcs/ctn.

ITEM #	DESCRIPTION	QTY	MOQ	FOB PRICE

>>> Nasal Mask

Nasal Basic masks seal around your nose in the shape of a triangle and are held in place by a four point headgear. They do not seal over your mouth. Nasal Basic masks are the original type of Basic mask and remain the most popular. They come in silicone, gel or cloth styles. Avoid low end nasal Basic masks as the comfort gap between high and low quality nasal Basic masks is large. Size: 79±8L 63±8(W) 52±5(H) . All packed 25/Case.

ITEM #	DESCRIPTION	QTY	MOQ	FOB PRICE
MS-29001	Nasal mask	Each	100	\$19.95

>>> BASIC Masks

Full face Basic masks seal around your nose and mouth in the shape of a triangle and are held in place by four point headgear. These masks are used by people who breathe through their mouth during sleep and do not wish to use, or have not had success with, a nasal mask and chinstrap. In general, full face Basic masks are heavier and bulkier than nasal Basic masks simply because they cover both the nose and mouth. Size: 176±10L 115±10(W) 76.5±8(H) . All packed 25/Case.

ITEM #	DESCRIPTION	QTY	MOQ	FOB PRICE
MS-28001	Full face mask, Large	Each	100	\$29.60
MS-28002	Full face mask, Medium	Each	100	\$29.60
